Musical Instruments	Homosexuality/Perversion
Crafts in Bronze (metal)	One World Government & Religion
Farming	Government
Curses and Blessings	Rapture

DOCTRINE (didache) Greek Meaning:

Teaching – a doctrine is a belief accepted as authoritative – accepted and believed as truth.
Key doctrines form the primary basis of the belief system

Denial of one or more of these essential doctrines would compromise the religion and someone who denies one or more central doctrines would therefore not be accepted as a genuine follower of that faith.
